

SPECIFIC TERMS AND CONDITIONS OF USE OF myAtlante Referral Program

1. Share your referral code

- Find your personal referral code in the Rewards section of the myAtlante app.
- Share it with a friend or contact.

2. Your friend enters your code

- Your friend must enter your referral code in the Promo code section of the myAtlante app.
- The code must be entered before completing their first qualifying charging session.
- Your friend can use only one referral code.

3. Your friend completes their qualifying charging session

- Your friend must complete their qualifying charging session at an eligible Atlante charging station.
- The qualifying charging session cost must meet the minimum amount shown in the app, where applicable.
- The qualifying charging session must be successfully processed and validated by Atlante.

4. You both receive Green Gems

- Once your friend's qualifying charging session has been validated, both you and your friend will receive Green Gems.
- The number of Green Gems may vary depending on the country, period or promotion applicable in that specific moment.
- Green Gems are subject to the rules and information made available by Atlante at <https://atlante.energy/myatlante-app/>, including any applicable usage limits, expiry dates, exclusions, conversion rules or other conditions. Such rules and information may be updated by Atlante from time to time in accordance with applicable law.

Terms and conditions of use

Use

- Your referral code can only be used by eligible users.
 - Your referral code cannot be used by you.
 - Your friend must not have already used another referral code.
 - Your friend must not have already completed a qualifying charging session with their myAtlante account before redeeming the referral code.
 - Your referral code may be shared with more than one person, unless limits apply.
-

Reward

- You receive Green Gems after your friend completes the qualifying charging session.
- Your friend also receives Green Gems after completing the qualifying charging session.
- The Green Gems reward shown in the app may vary by country, period or promotion.
- Atlante may update the reward amount, minimum charging amount and availability of the feature over time.

Qualifying charging session

- The session must be started and finished after the referral code has been added to the wallet.
- The session must take place at an eligible Atlante charging station.
- The session must meet the minimum cost shown in the app, where applicable.
- The session must be successfully processed and validated by Atlante.
- Cancelled, refunded, reversed or invalid sessions do not qualify.

Other terms

In the event of fraud, abuse, misuse or suspected fraud, abuse or misuse of the myAtlante Referral Program, Atlante reserves the right to suspend, restrict or terminate the program, in whole or in part, in one or more countries where the program is available, and to withhold or revoke the relevant rewards, in accordance with applicable law.

For anything not expressly covered on this page, the myAtlante app Terms and Conditions remain fully applicable.
